They look good. Don't know which 3...due to 2 Methoxyethanol or bis (2 ethylhexyl)phthalate?

Subject: Draft Fact Sheet Update and Residential Messages-Dimock

Please review and provide comments back to me/Trish. We did not compose separate messages for the "sampling only" category of residents--the idea being that we'll use the fact sheet as our talking points, as we did for the home well survey calls. Thanks and let me know if you have any questions.
